Con specit fit stricto celer aduolat ense
Germaniq cupit furorum ~~ecistere uinder~~
Set neq; uī sęui nec fortia sustinet arma
Tydide contra q tamē defendere tēptat
Ut uolucer decepta sui cū corpora nati
Accipitrē laniare uidet nec tendere contra
Auxilium neq ferre suo ualet ancia natō
Quod q potest leuib; plaudet sua pectora pānis
Sic hostē ideus germani cede superbū
Spectat atrox misero q nequid succurrere fri
Et nisi cessisset decora ceciduisset cadē
Set minus interiros armis furit alter atrides
Insequitur q acies & ferro uulnera miscet
Obuius huic fatis occurrit iniquus
Infelix radius quē uastę cuspidis ictu
Sternit & ingenti scapulas transuerberat hasta
