In iano claris · calidisque cibis potiaris
Atque decens potus · post fercula sit tibi notus
Ledit enim medo · tunc potus ut bene credo
Balnea tutus intres · et venam findere cures
Aquarius calidum et humidum : signum bonum
Vngere crura cave · nec luna videbit aquosam
Inseres tunc plantas · excelsas erige vites
Et si carpis iter · tunc tardius ad loca tendis
