

C 2

Handwritten Latin text in a medieval script, likely from a philosophical or theological work. The text is densely packed and includes several large, decorated initials. The script is a cursive Gothic hand, characteristic of the late 13th or early 14th century. The text appears to be a commentary or a treatise, given the use of terms like 'Sententia' and 'Ethicorum' in the caption. The paper is aged and shows some staining and wear, particularly along the edges.
