 That wereyd of yelow goldy a garlondy
 Andy a Cuckoll sityng on her hondy

 Lust andy aray andy alle the circumstauncis
 Of loue Whiche that I rekeene andy shal
 Be ordyn were peynted on the wall
 Andy mo than I can make mencyon
 For soothly al the mounte of sitheon
 That Venus hath hir principal dwellyng
 Was shewyn on the wal here portreyyng
 With al the iope andy al the lustmesse
 Mought was foryeten the Porters idelnesse
 Ne Marcyus the faire yore agoon
 Ne yet the folye of kyng Salamon
 The enchauntment of Medea andy hardynesse
 Of Jason I wil not now expresse
 Ne of turnus with his hardy fyre corage
 The riche Cresus caytifs in seruage
 Thus may ye se that wisdom ne riches
 Beaute steyghte strengthe ne hardynesse
 Ne may with Venus holde hampartye
