

The image shows a fragment of a manuscript page, likely from a 16th-century astronomical table. The page is heavily damaged, with significant staining and missing sections. The text is handwritten in a cursive script. The main body of the page contains several columns of numbers, possibly representing astronomical data. A large, stylized signature, "Alcafronchio deus", is written vertically on the right side. Below the signature, the number "54" is written, followed by some decorative flourishes. The top of the page has some faint text, including "in hunc modum" and "et hinc in hunc modum".
