

20.00 April 20th at 10 am - 10 miles from  
Fiji. Superb all day weather. Started early and was up by 5 am. The sun was still low in the sky and the air was cool. We took a boat to the island of Viti Levu where we had a picnic lunch. After lunch we took a boat to the island of Taveuni. The water was very clear and the coral reefs were abundant. We swam and snorkled around the reefs. In the afternoon we took a boat to the island of Vanua Levu. The weather was still excellent and we had another picnic lunch. In the evening we took a boat back to the mainland of Fiji. The sun was setting and the sky was filled with orange and red colors. We had dinner at a local restaurant and then headed back to our hotel.
