Fragmentarium

Voluntaria oris mei beneplacita fac dn̄e:
& iudicia tua doce me.
Anima mea in manib; tuis ſemp: & le
gem tuam non ſum oblitus.
Poſuerunt peccatores laqueum michi:
& de mandatis tuis non erravi.
Hereditate adquiſivi teſtimonia tua in
eternum: quia exultatio cordis mei ſunt.
Inclinavi cor meum ad faciendas iuſti
ficationes tuas in eternum: propter
retributionem.
Iniquos odio habui: & legē tuā dilexi.
Adiutor & ſuſceptor meus es tu: & in ver
bum tuum ſuper ſperavi.
Declinate a me maligni: & ſcrutabor man
data dei mei.
Suſcipe me ſecūdm eloquiū tuū & vivam:
& non confundas me ab expectatione
Adiuva me & ſalvus ero: mea.
& meditabor in iuſtificationib; tuis ſemp.
Spreviſti omnes diſcedentes a iudiciis tu
is: quia iniuſta cogitatio eorum eſt.
Prevaricantes reputavi omnes peccato
res terre: ideo dilexi teſtimonia tua.
